Vermont Employment Pathfinder Virtual Training

Vermont Employment Pathfinder is a skills-based resume generator and career awareness tool. Funded initially by the USDOL ETA, the tool is now free and available for use for all Vermonters. By creating a profile, users map their skills and identify strengths and interests, allowing them to present the best version of themselves for their next employment or education opportunity. This session will support case managers and career advisors in how to best connect your clients to the right tools, at the right time, as they continue their employment journey.
